

# NexusDeFi Terms of Use

## Introduction

Welcome to NexusDeFi. This document outlines the Terms of Use governing your access to and use of the NexusDeFi website, the NexusDeFi token (NXS), and all related services we provide. By accessing or using our website, purchasing, or utilizing NXS tokens, you agree to be bound by these Terms of Use. If you disagree with any part of these terms, please refrain from using our website or services.

These Terms of Use, combined with our Privacy Policy and Cookies Policy available on our website, form the complete agreement between you and NexusDeFi. You agree not to transfer or assign your rights or obligations under these Terms without prior written consent from NexusDeFi. We reserve the right to assign our rights and obligations under these Terms at our discretion, whether to an affiliate or in connection with a subcontractor, offshore company, acquisition, sale, or merger.

If any section of these Terms of Use is found to be unenforceable or invalid, the validity of the remaining provisions remains unaffected. Any invalid provision will be replaced with one that most closely aligns with the original intent.

## Acceptance of Terms

By accessing or using our services on [nexusdefi.network](https://nexusdefi.network) you confirm that you have read, understood, and agree to comply with these Terms of Use. These Terms may be updated periodically, with changes indicated by an updated "Last Updated" date at the top of this document.

Continued use of the NexusDeFi website, services, or holding of NXS tokens after any modifications to the Terms implies your acceptance of those changes. If you do not agree with the revised Terms, your only recourse is to stop using our services.

## Definitions

**NexusDeFi:** The digital asset management platform developed to facilitate seamless, secure, and private crypto activities.

**NexusDeFi Network (Company):** Refers to the company managing the NexusDeFi platform.

**NXS:** The native token used within the NexusDeFi ecosystem.

**Personal Information:** Data that can identify or contact an individual.

**Users or You:** Refers to anyone who uses, purchases, or interacts with NexusDeFi services or holds NXS tokens.

## Project Description and Company Identity

NexusDeFi aims to redefine digital finance by offering an all-in-one blockchain ecosystem powered by its native token, NXS. It features a multi-chain wallet, advanced trading bots, anonymous trading with no KYC, and dVPN integration for privacy. The platform supports real-time trading across multiple blockchains and enables seamless integration with decentralized and traditional financial systems. Our mission is to empower users with complete control over their digital assets.

## Eligibility

You must be at least 18 years old to access and use NexusDeFi's services. By engaging with our platform, you confirm that you meet the legal age requirements in your jurisdiction.

NexusDeFi does not market its services to minors. Any interaction by minors is presumed to be under parental or guardian supervision, and NexusDeFi disclaims responsibility for such usage.

## Prohibited Activities

Users must not engage in:

- Illegal Conduct:** Activities such as money laundering, fraud, or any criminal behavior.
- Platform Disruption:** Attempting unauthorized access, hacking, or interfering with our systems.
- Inappropriate Content:** Sharing offensive, harmful, or rights-infringing material.
- Market Manipulation:** Any action that undermines the integrity or reputation of NXS tokens.
- Malware Distribution:** Engaging in activities that spread harmful software.

## Intellectual Property Rights

- License Grant:** You are granted a limited, non-transferable license to use NexusDeFi services.
- Protection of Intellectual Property:** All content, including trademarks, logos, and text, remains the intellectual property of NexusDeFi.
- Restrictions on Alterations:** You may not modify or create derivative works without permission.
- Financial Gains and Promotion:** You cannot profit from promoting or distributing our content without prior consent.

## Cryptocurrency Risks

- Investment Risk:** Transactions with NXS tokens involve market volatility and potential loss.
- Security Responsibility:** You are solely responsible for securing your digital assets.
- Regulatory Compliance:** You must comply with relevant laws in your jurisdiction.
- No Guarantees:** NexusDeFi offers no assurances regarding the future value of NXS tokens.
- Token Claiming Process:** Tokens must be claimed using the same wallet used for purchase. Lost access due to wallet compromise is the user's responsibility.

## Limitation of Liability

NexusDeFi, its developers, employees, and affiliates are not liable for any damages, including but not limited to loss of profits, data, or unauthorized access resulting from the use of our platform. The service is provided "as is" and "as available" without any warranties.

## Third-Party Content

NexusDeFi may link to third-party websites. We are not responsible for their content or practices. You should review their terms of use and privacy policies before interacting with those platforms.

## Governing Law

These Terms of Use are governed by the laws of Cayman Islands. You warrant that you are not subject to any legal restrictions regarding the use of cryptocurrencies in your jurisdiction.

## Token Classification

The NXS token is classified as a utility token, intended for use within the NexusDeFi ecosystem. It is not a financial security or investment asset. You are responsible for understanding the applicable regulations in your jurisdiction.
